POINTS THE WAY.

The Statement of This Greencastle Resident Will Interest Our Readers.

Our neighboring town, Greencastle points the way in the word of one of its most respected residents:

J. B. Logan, cigar dealer, E. Baltimore St., Greencastle, Pa. says: "I had pains across the small of my back. My kidneys weren't acting right. I am on my feet all day long and I believe that caused the trouble. I got a box of Doan's Kidney Pills and in a short time at ter using them I was relieved. I am pleased to recommend this medicine, as it keeps my kidneys in good shape."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Logan had. Foster Milburn Co., Props., Buffalo, N. Y.

Strong Drink—Our Worst Foe.

By DR. REMSBURG.

The advocates of the liquor traffic are using the Bible in trying to defend their cause, saying that the teachings of Jesus Christ advocates wine as a beverage. It is true they called him a winebibber and a glutton, and said that he was in league with the devil, casting out devils by the prince of the devils. But it was only the enemies of Christ who thus accused him. Were he an advocate of intemperance his teachings would belie his mission which we who love him and claim him as our Savior know is not true. He came to seek and to save the lost—to lead them to Heaven, and not to eternal destruction. His messages were messages of Peace. There is no peace where there are drunkards or in a drunkard's home. It is only the enemies of Christ and his cause, who malign his character. I cannot understand how a man can go over the country advocating the Sabbath School, the nursery of the church training children for the cause of Christ and then plead that a license saloon is a public necessity. Were a soldier in any army to do such a thing, he would justly be shot as a traitor.

But Judas betrayed his Lord for thirty pieces of silver and we can but expect to find such as he in the ranks today. We should try to rescue the perishing and not cause the offense that is sending more souls to Hell than all other evils combined. Let the church members get to work and do their duty—remove the stumbling block out of the way of those who are struggling hard to stem the tide that is carrying them to a drunkard's grave and a drunkard's Hell. Were it not for the voters many of whom are church members, voting for license and upholding the liquor traffic there would be no saloons. The most abominable class of human beings that lives is the treater who with his bottle, induces all he can to drink. He can justly be called the "Devils Drummer." He takes them to the Devil's recruiting agent who sends them to a drunkard's grave and a drunkard's hell.

Bert Brant, near Dane, attended John Wible's sale in Franklin county last week. He returned last Friday and brought with him a fine stock hog, a two-seated covered spring wagon, and a cream separator—all purchased at the sale. Horses and cattle brought high prices.

Give the Children their Chance

Can't expect the children to stand high in their classes unless they get their lessons done properly. And they can't do night study without proper light.

The best light to study by is that which beams from a Rayo Lamp filled with slow-burning Atlantic Rayolight Oil. It gleams soft, white and mellow—doesn't flicker. It's a wonderful light for studying. Won't strain the children's eyes and so they study the better. And they learn the quicker.

And you'll sew with less effort, and father will enjoy his paper the more if you keep the house generously lighted with Rayo Lamps.

Rayo Lamps are handsome—add to the appearance of any room. They're easily cleaned and last a lifetime. Your dealer can show you a full assortment of Rayo Lamps priced from \$1.50 up. But to get the best light from a Rayo Lamp, you should burn

ATLANTIC Rayolight OIL

That's the kerosene that neither smokes nor smells, that burns brightly and yields a great heat, but always at a low cost; use it in every lamp in the house, in your heaters and in your oil stoves.

Atlantic Rayolight Oil is the one kerosene you can ask for by name—that never varies in quality. And so it is especially desirable for domestic purposes—for polishing furniture, for keeping away moths, for removing rust and the many other uses hundreds of housewives tell us they have found for it.

Ask your dealer for ATLANTIC RAYOLIGHT OIL by name, you can buy it at any store that displays the sign:

BIG CONVENTION OF STATE LAYMEN

All Churches Interested in National Missionary Movement.

Great interest is being manifested in the Laymen's Missionary convention to be held in Harrisburg, Pa., March 12 to 14, 1916, in Grace M. E. church.

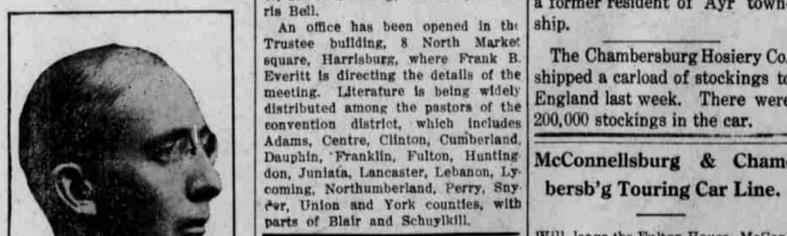

Seventy-five similar conventions will be held in leading cities of the United States between October 7, 1915, and April 26, 1916. All laymen of Harrisburg and vicinity are invited to register as delegates. This movement is inter-denominational.

No more favorable opportunity could be offered the church men of Pennsylvania to hear speakers of national reputation discuss topics of vital interest in connection with the great campaign for the evangelization of the world.

The men of Harrisburg are the kind who do things. They do not dream them all day long and they will make the coming convention one of the largest and most productive of good in the series planned for the approaching months.

Every churchman should register as a delegate. In order to secure the largest possible registration, committees are being formed in the vicinity.

An office has been opened in the Trustee building, 8 North Market square, Harrisburg, where Frank B. Everett is directing the details of the meeting. Literature is being widely distributed among the pastors of the convention district, which includes Adams, Centre, Clinton, Cumberland, Dauphin, Franklin, Fulton, Huntingdon, Juniata, Lancaster, Lebanon, Lycoming, Northumberland, Perry, Snyder, Union and York counties, with parts of Blair and Schuylkill.

W. E. DOUGHTY
Team leader, author of "The Call of the World" and other books.

Protestant churches of the state whose duty it will be to enroll the men of their congregations. There is no limit upon the representation of any church. The registration fee is only \$1.00 and every man who has an interest in the spread of the gospel should enroll now. Prof. H. R. Omwake is chairman of the registration committee. In those churches where registration committees have not been named, there is an opportunity for the laymen to get busy on their own initiative, enroll all the men possible and send in the names with the fees. Registration fees will be used to defray convention expenses and for follow-up work after the convention. No offerings are taken in the convention.

The program will be of the very highest quality and power, giving the convention the character of a national meeting which men would cross a con-

A few weeks ago, the County went to considerable expense to advertise the names of owners who had paid dog tax, and the Commissioners plainly stated that after February 20th, all unlicensed dogs would be killed. This will be a disagreeable duty for township officials.
